

Stuart Eves

Airbus Defence and Space

Stuart Eves accumulated nearly 30 years' experience of military satellite system design, (including 16 years with the MOD and 10 years with Surrey Satellite Technology Limited), before joining Airbus Defence and Space in 2014. His career has included work on satellite surveillance, communications, and science missions, including Skynet 4, TopSat, NovaSAR, TDS-1, and CHEOPS.

He is currently Lead Mission Concepts Engineer, (or, "an ideas guy"), at Airbus Defence and Space. He also chairs the UKspace Security and Defence Committee.
